

## *Joy you bring:*

For every day and every moment (Wah, Wah)  
For every smile and every dream (Every smile and dream)  
I'll paint you a rainbow (Uh, a big rainbow)  
For all the joy you bring (All the joy you bring)  
I'll buy you a mountain (A nice mountain girl)  
And I'll buy you a stream (Wah, uh) - Ante Says 'cry' instead of 'buy'  
I'll give you a river (say wah, say wah)  
To show what you mean to me (Uh, uh)

### SHAGGY

I don't wanna sound cheesy  
But I realize that lovin' you is very easy  
Playin' in the summer sun warm and breezy  
Never talkin' sleezy oh but I love it when you give me that look ooh you  
lookin' so teasy - Ante says  
'Not at all sleezy...'  
Woman you are the fire in my life and it's pleasing (??) - Ante says 'freezing'  
instead of 'pleasing'  
Living like the Jefferson's George and Weezy  
If I am queasy, girl you're always on my mind in the darkest of times when I'm  
needy  
Can't get enough of you woman I'm greedy  
Sinking in the ocean of your love and I'm heeding  
Y'am conceding - Ante says 'I am conceding'  
And I wanna show you what you mean to me

Chorus Here

### SHAGGY

You know you have a shoulder for sighin' on, crying on - Ante says '...shoulder  
you can sigh on...'  
When you need your love you know it's SHAGGY ya' relyin' on - Ante says 'you're  
relyin' on'  
Under the wings of your love that you're flyin' on  
You mean the world to me  
Cause I been with many girls and I never saw the benefit  
Now I got the love I want and by any means I'm keepin' it  
Bonafide love and I'm fallin' very deep in it  
I want the world to see

Chorus Here

Now here instead of 'nice mountain' he says 'lovely mountain' and the next time  
the chorus comes up as well.

### SHAGGY

You're the air that I breathe, you're all that I need  
Tell me baby can you feel me  
When this life takes a toll, you're my heart and soul  
Tell me baby can you, can you feel me

(Repeat above)
